Name – Priyanshu Mishra

University Roll No. – 2200290110131

Code:

```
// Get the values of the Name and Password fields
var name = document.getElementById('name').value;
var password = document.getElementById('password').value;

// Function to validate the Name field
function validateName() {
    var nameRegex = /^[a-zA-Z]+$/; // Regex pattern to match alphabets only
    if (!nameRegex.test(name) || name.length < 6) {
        alert('Please enter a valid name (alphabets only, at least 6 characters)');
        return false;
    }
    return true;
}

// Function to validate the Password field
function validatePassword() {
    if (password.length < 6) {
        alert('Please enter a valid password (at least 6 characters)');
        return false;
    }
    return true;
}

// Call the validation functions and perform the registration if validation passes
if (validateName() && validatePassword()) {
    // Perform the registration here
    alert('Registration successful');
}

function validateRegistration() {
    // Get the values of the Name and Password fields
    var name = document.getElementById('name').value;
    var password = document.getElementById('password').value;

    // Call the validation functions and return the result
    return validateName() && validatePassword();
}
```
